Getting Started with Practice-Web

We're glad you're ready to take your practice to the next level! Please review the following steps to get started with Practice-Web. **We look forward to helping your practice thrive!**

- Call **800-845-9379, Option 1** to sign up for Practice-Web and schedule your software installation, training and any database conversion.
- For database conversions:** Schedule your free test conversion, complete your checklist and approve the test conversion, and proceed with your final conversion.
- Complete your **Practice-Web training** (approx. 2-3 hours). (Optional for additional offices at \$150.) Sign up for **additional intensive training** at \$75 per hour.

- Learn the basics of Practice-Web with **FREE online webinars:**
